

What do you do when one of your managers is chasing away your best people?

You address the behaviour and coach for performance and commitment

Client Profile

- Manufacturer of machinery for construction, mining and industrial purposes
- Large plant and office in Niagara
- 100 employees

The Solution

- Work with the manager to help them assess their situation in a safe, non confrontational manner
- Set-up one-on-one coaching to help them develop new skills
- Set up expectations and accountability

The Situation

- A long time manager of a key department has been losing key team members
- Manager has been showing signs of stress, temperament issues and aggression
- Staff refusing to work with the manager

The Result

- Manager now self aware of how they affect their team
- Behaviour and performance issues resolved
- Team morale and communication significantly improved
